Download Gilera Runner 200 Vxr 2002 Manual

The first generation of Gilera Runner had four-stroke variants added initially in VX 125 (124 cc) and VXR 180 guises. The VXR 180 was replaced by the larger capacity VXR 200 (198 cc) in mid 2002. The four-stroke Runner was equipped with a liquid cooled, four valve version of Piaggio's LEADER engine. All of these models came with a factory fitted immobiliser with programmed keys.????(Runner)??Manuales Yamaha en Español.
