An army standard operating procedure or SOP is a step-by-step manual of a soldier, in which it will inform the soldier what his objectives are and how to accomplish them. These kinds of protocols are useful when the soldier is behind enemy lines and has no means of contacting command for further instructions. This is a detailed written document with description of forms, annexure and other SOPs. Duties of each individual are entered in detail in this document. You may also see how to write an army SOP.
