Wes Jackson is the author of Becoming Native to This Place (4.09 avg rating, 163 ratings, 13 reviews, published 1992), Consulting the Genius of the Place... Becoming native to one's place means making everything from our domestic livestock to our domesticated plants native too. And this is a very long process. Finally, I come back to 1542, to Coronado and those thirty or so avarice-driven adventurers who made the side trip "northward by the needle" from the plains of Texas to the land of Quivira, the land that would one day become Kansas.
