

Download Flocabulary Answer Key Unit 3

Word Up Pre-Assessment, Post-Assessment & Diagnostic Test Pre-Assessment. The pre-assessment measures your students vocabulary levels before they begin The Word Up Project, and is presented in the same format and level of difficulty as the post-assessment. • Practice careful and attentive reading of both assigned texts and independent text choices • Read a wide variety of texts, including a variety of styles, genres, literary periods, authors, perspectives, and subjects

The Beginning of the Civil Rights Movement (PowerPoint). JFK's New Frontier (video) The Great Society (video) Slave punishments in the South . Labor Force by Gender Graph Analysis (for QR Code activity)

SENTENCES What is sentences? Sentence is a large unit of words that is grammatically complete and used to express exclamation, statement ,and questions. A sentence must have a main clause or more than one main clause. There are as many clauses as there are finite verbs in a sentence. (The finite verb is the verb that changes with the person or number of the subject.)
