

Download Jestine Yong Voltage Testing

Hi Jestine, I have watched many of your videos online and you have taught me a lot, I have a project I am working on and I am at an impasse. I am testing a SMPS power supply for a LED TV model# LG 47LN5700-UH, SO just to give you a run down of where I am at the TV turns on, LG splash screen appears, TV goes black, shine flashlight at screen, press menu button, menu appears, unplug TV, take off ...My name is Jestine Yong and I'm a professional electronics repairer and an instructor. I took my first electronics repair course back in the year 1987. In 1991 I was hired by a firm to repair various electronics equipment. After 12 years in the repairing line, in 2003 I set up my own technical training center to train students who are interested in electronics repair. Restoring Amplifier In HMV Radiogram & Futile Attempt To Restore Its Radio. This HMV Radiogram model # HMV5231CA belongs to my school classmate, and was lying dead for quite some...How To Perform A Simple Voltage Test On Circuit Board . Well, I've got many emails asking me to show them how to perform a voltage test for troubleshooting purposes.
