

# Download Kayak Fishing How To Get Started And Set Up Your Boat

The Gulf Coast Kayak Fishing Association (GCKFA) is a not-for-profit organization focused on promoting the exciting sport of kayak fishing throughout the NW Florida and South Alabama area. Activities include hosting a kayak fishing tournament, rigging workshops, social gatherings centered on the sport and, of course, fishing. Follow these DIY tips to turn your regular kayak into a fearsome fishing machine. Fishing kayaks need accessible storage containers, an anchor system and trolling motor to a regular kayak. You can add a lot of bells and whistles to a kayak, but for now we'll focus on the basics. Also, these DIY tips ...
