1 Light In Architecture and Psychology of Light 1 Designing with Light The majority of the information that we receive about the world around us comes through our Architecture - Religious architecture: The history of architecture is concerned more with religious buildings than with any other type, because in most past cultures the universal and exalted appeal of religion made the church or temple the most expressive, the most permanent, and the most influential building in any community. The typology of religious architecture is complex, because no ...5. Agile Architecture at Scale. On large agile teams, geographically distributed agile teams, or for enterprise-wide architectural efforts, you will require an Architecture Owner team or Enterprise Architecture team (in Agile Modeling I originally called this a core architecture team, a term I never really liked). Large agile teams are often organized into smaller subteams, as you can see in ...AAYP restores 1930s seaside hotel to its former glory on the coast of marseille #architecture. the main goal was to open up every single space to the stunning views of the sea, blurring the ...
