US Department of Labor: The Office of Workers' Compensation Programs administers four major disability compensation programs which provide wage replacement benefits, medical treatment, vocational rehabilitation and other benefits to certain workers or their dependents who experience work-related injury or occupational disease. For purposes of this guide, "cash" means checks, coin, and currency. The University cash handling policy definition of "cash" also includes e-commerce/ACH, money orders, securities, traveler's checks, or other property easily converted to currency. The Environmental Protection Agency (EPA) is publishing this final regulation that requires the electronic reporting and sharing of Clean Water Act National Pollutant Discharge Elimination System (NPDES) program information instead of the current paper-based reporting of this information. This...
