Spalding Education - Home of Scientifically-based Language Arts Instruction. Welcome! Spalding Education International (SEI) is dedicated to teaching all students to spell, write and read. Half the battle with children learning their sixth grade spelling words is making sure that they copy the words correctly the first time. Our spelling list for sixth grade has much longer words than the words in our lower levels. Welcome to The Spalding Method™ Phonograms app! This Spalding Phonograms app is designed for helping students learn the phonics connection between speech sounds and written symbols that represent those sounds (phonograms). Welcome to The Riggs Institute. The Riggs Institute is a self-supporting, non-profit literacy agency and publisher. We offer language arts curriculum for teachers and parents and formal training seminars as well.
