Abstract. Nelson Mandela has become one of the most revered and recognized leaders in history. He is widely recognized for his forgiveness, compassion and humility and their considerable effects on his leadership and the success of anti-apartheid. Many members of the scientific community and philosophy of science communities think that science can provide the relevant context, and set of parameters necessary for dealing with topics related to the meaning of life. In their view, science can offer a wide range of insights on topics ranging from the science of happiness to death anxiety. Scientific inquiry facilitates this through ...

**Fashion.** An 'It' Bag Revived. Fendi's 'Baguette,' one of the original 'it' bags, is back for Spring/Summer 2019. And while the Men's Fashion Week show in Milan showed that even the boys are loving it, there is no shaking the little bag's status as a feminine classic.

**Art. Spotlight.** Sawaru is the new project from Flos that does away with excess and focusses on simple, compact devices that provide a clean aesthetic and simple functionality.
