The Anatomy of a Wave Frequency and Period of a Wave Energy Transport and the Amplitude of a Wave The Speed of a Wave The Wave Equation The nature of a wave was discussed in Lesson 1 of this unit. In that lesson, it was mentioned that a wave is created in a slinky by the periodic and repeating ... Recommended software downloads: Below are links to general freeware programs that I highly recommend for learning chemistry. So waves are everywhere. But what makes a wave a wave? What characteristics, properties, or behaviors are shared by the phenomena that we typically characterize as being a wave? How can waves be described in a manner that allows us to understand their basic nature and qualities? Consider the ...
