

# Download Whats Faster Automatic Or Manual Transmission

Perhaps at some point in the past, manual transmissions were truly and undoubtedly faster than their automatic counterparts. But thanks to advancements and innovations that have helped automatic transmissions become more efficient, they've easily surpassed the reliable old manual in terms of speed. Mutilator Diamond Member. Stock automatics vs Stock manuals = Manual is faster in the 1/4 mile. Aftermarket (racing) automatic vs Aftermarket manual = Automatic is faster in the 1/4 mile. Stock automatics are setup for smooth shifts... you have to either modify that auto to shift faster or replace it with one more suited for racing.
